McLaren Medicare

2024 Pharmacy Directory

This Pharmacy Directory is current as of December 1, 2024. For more recent information or other questions, please contact McLaren Medicare Member Services, at 833-358-2404 or, for TTY users, 711, April 1st through September 30th Monday through Friday, 8 a.m. to 8 p.m. or October 1st through March 31st seven days a week (except Thanksgiving and Christmas days), 8 a.m. to 8 p.m., or visit www.mclarenhealthplan.org/mclarenmedicare.

Changes to our pharmacy network may occur during the benefit year. An updated Provider/Pharmacy Directory is located on our website at ww.mclarenhealthplan.org/mclarenmedicare. You may also call Member Services at 833-358-2404 (TTY/TDD users should call 711) for updated information.

INTRODUCTION

This booklet provides a list of McLaren Medicare's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and McLaren Medicare's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under McLaren Medicare only if they are filled at a network pharmacy or through our mail order or specialty pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 12/01/2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called MedImpact Direct Mail® For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside of our service area, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this directory on Network Pharmacies outside of the service area.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
