# McLaren Health Plan – Rewards Provider Directory

## Member Information

**Welcome to McLaren Health Plan!** This directory lists all participating hospitals, doctors, and ancillary health care providers. Each family member must select a Primary Care Provider (PCP) for each family member. Primary Care Providers are defined as Family or General Practitioners, Pediatricians, Internists, Nurse Practitioners, and Physician Assistants. Your PCP will help to coordinate all your health care needs. This directory lists whether the PCP is taking new patients, their office practice hours, and if the doctor speaks a language other than English.

### Primary Care Providers (PCPs)

Each family member should choose a doctor. McLaren Health Plan can help you choose a PCP by calling Customer Service at **(888) 327-0671**.

### Specialty Care Providers

When your PCP needs to send you to a specialty care provider, they can select one from this directory and notify McLaren Health Plan that they are referring you. You do not need to wait for approval for most services.

### Rewards Providers

As a member of McLaren Health Plan's Individual Product, you are entitled to see McLaren Health Plan Rewards Providers listed in this directory with no co-pays, deductibles, or coinsurance. You can still see any McLaren Health Plan contracted Provider, but you will be responsible for Co-pays, deductibles, and coinsurance.

If you have any questions regarding the participation status of any health care provider or if you see any errors in a directory, or if you want a printed copy of any portion of the directory, you can call Customer Service toll free at 888-327-0671, (TTY: 711).
