

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit us at mclarenhealthplan.org or call Customer Service at (888) 327-0671. | Important Questions | Answers | Why This Matters: |
|--|--|--|
| <p>What is the overall deductible?</p> | <p>Rewards: \$500 / individual or \$1,000 / family Non-Rewards: \$1,500 / individual or \$3,000 / family *All amounts applied to a Deductible, regardless of Rewards or Non-Rewards will apply to both the Rewards and Non-Rewards Deductibles</p> | <p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by family members meets the overall family deductible.</p> |
| <p>Are there services covered before you meet your deductible?</p> | <p>Yes, the deductible doesn't apply to preventive care, and certain services subject to flat dollar copayments.</p> | <p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p> |
| <p>Are there other deductibles for specific services?</p> | <p>Yes – Prescription drugs \$0 / individual or \$0 / family</p> | <p>You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.</p> |
| <p>What is the out-of-pocket limit for this plan?</p> | <p>\$3,000 / individual or \$6,000 / family</p> | <p>The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.</p> |
| <p>What is not included in the out-of-pocket limit?</p> | <p>Premiums, balance-billing charges and health care this plan doesn't cover.</p> | <p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p> |
| <p>Will you pay less if you use a network provider?</p> | <p>Yes. See mclarenhealthplan.org or call (888) 327-0671 for a list of network providers.</p> | <p>This plan uses a provider network. You pay the least if you use a Rewards provider. You pay more if you use a provider in the plan's network that is not a Rewards provider (a "Participating Provider"). You will pay the most if you use a non-Participating Provider, and you might receive a bill from a provider for the difference between the Provider's charge and what your plan pays</p> |
