McLaren Health Advantage – Provider Directory Member Information

Welcome to McLaren Health Advantage! This book is a listing of hospitals, physicians and other health care professionals who can provide you and your family with comprehensive health care services.

Making an Appointment

To make an appointment with a McLaren Health Advantage provider, we suggest you take the following steps:

Choose a Provider from the McLaren Health Advantage Directory

- Verify that the provider is a participating provider with the McLaren Health Advantage Network, rather than just “accepting the insurance.”
- The McLaren Health Advantage website is updated frequently to ensure the most up-to-date information.
- Identify yourself as a member of McLaren Health Advantage when you make your appointment.

Present your McLaren Health Advantage identification card upon your arrival.

If you have any questions regarding the participation status of any health care provider or if you see any errors in a directory, or if you want a printed copy of any portion of the directory, you can call Customer Service toll free at 888-327-0671, (TTY: 711).

The following is a description of providers listed in this directory:

***Tier 1 Provider** – This is one of your best values in health care. You have the lowest deductible, co-insurance and copays when using these providers. A Tier 1 provider is a provider that is employed or owned by McLaren Health Care Corporation and contracted by McLaren Health Advantage as a network provider. This could be a hospital, physician, outpatient center, etc.

Tier 2 Providers – These are providers that have a special contractual arrangement with McLaren Health Advantage, but your out-of-pocket costs are higher: higher deductible, co-insurance, copays and out-of-pocket maximums. You are, however, protected from balance billing.

*Physicians providing you care at a Tier 1 hospital (e.g. ER, radiology, anesthesiology) may not be Tier 1 providers. Call Customer Service at 888-327-0671 to verify the contracted status of these providers.
