

Tencon Health Plan Provider Directory

Tencon Health Plan – Provider Directory

Member Information

Welcome to Tencon Health Plan!

This directory lists participating providers. Each member must select a Primary Care Provider (PCP). Primary Care Providers are defined as Family/General Practitioners, Pediatricians, Internists, Nurse Practitioners and Physician Assistants. Your PCP will help to coordinate all your health care needs. This directory lists whether the PCP is taking new patients and if the doctor speaks a language other than English. McLaren Health Advantage can help you choose a PCP by calling Customer Service at (888) 327-0671.

**If you have any questions, please call Customer Service at (888) 327-0671
