The McLaren Charity Gala's tradition of fun and fundraising continues with this year's Whimsical Wonderland Garden Party and silent auction. Each year, nearly 300 physicians, business and community leaders, and McLaren team members come together for this special evening of fellowship and charitable giving.

Proceeds from this year's Gala will support cardiac rehabilitation initiatives for the patients that we serve. Cardiac rehab has been shown to improve important patient outcomes, including control of cardiovascular risk factors, quality of life, hospital readmission, and mortality rates. McLaren Flint's cardiac rehab program includes monitored, personalized exercise programming, emotional support, and educational experiences. Along with the funding enhancements to patient education and program services, Gala proceeds will support a transportation fund. This fund will ensure that every patient has the opportunity to attend critical cardiac rehab appointments, promoting health equity, and improved outcomes for all patients.

How can you help and be involved? Become a Sponsor: Please see the included Sponsorship Opportunities for more details.

Your gift will help to advocate for a healthier community, improve patient outcomes, and equitable health services for residents of our region. Your contribution will be recognized in a variety of ways leading up to the event and throughout the evening. We appreciate your support!

Thank you for your time and consideration in support of the McLaren Charity Gala! Should you have any questions, please contact the McLaren Flint Foundation at (810) 342-4077.

Sincerely,

The McLaren Charity Gala Steering Committee

Lucy and Dave Ham
