

## Formulary Quick Guide Health Advantage July 2025

This is a Quick Formulary Reference of frequently prescribed medications for our McLaren Health Advantage members. A complete full drug formulary is available on our website at <https://www.mclarenhealthplan.org/mclaren-health-plan/drug-formulary-search-and-resources> or by calling 888-327-0671. Formulary changes and updates are also available on our website. McLaren Health Advantage promotes the use of high-quality, cost-effective medications. If you would like to speak with the Pharmacy Director regarding the Formulary, please call 810-733-9727 for assistance.
