

McLaren Now Virtual Care

Stay safe and healthy wherever you are with McLarenNow Virtual Care visits.

Download the McLarenNow App

Get started by scanning the code to the right, visiting mclaren.org/now or downloading the McLarenNow app to your mobile device today.

For the same copay as a primary care visit, you can see a provider, anywhere, anytime. Just use your smartphone, tablet or computer.

Use McLarenNow when you have an urgent need to be seen for cold, flu, coronavirus symptoms, minor injuries, illness, skin conditions and more. The service is available 24/7/365 anywhere in the United States.

Please call 888-327-0671 (TTY: 711) to learn more about your McLarenNow benefits as a McLaren Health Plan member!
