

McLaren Health Plan (MHP) is committed to providing high quality, cost-effective health care to our membership. By establishing a Primary Care Physician (PCP) Incentive Program, MHP builds a strong partnership with our contracted PCPs, resulting in improved access to health care services for our members.

The PCP Incentive Program, outlined below, provides incentives that optimize transformation activities, care coordination and quality by recognizing the outstanding efforts of our PCPS while improving health care outcomes.

To assist PCPs with achieving the quality goals of the NCQA 75th and 90th percentiles, MHP will provide you with monthly Gaps in Care reports beginning April 2019.

A *Quick Reference Guide* for the Pay for Performance Program and incentive flyers documenting the requirements of each quality incentive are included for your review. MHP also has a HEDIS® Provider Manual at McLarenHealthPlan.org. The HEDIS® Provider Manual explains each HEDIS® measure in detail and the requirements for satisfying the measures.

Your Network Development Coordinator, Outreach Coordinator and our Quality Management Team are here to assist you with any questions. Please call us at (888) 327-0671 (TTY: 711).

Thank you for the quality care you deliver!
