

McLaren Health Plan is pleased to announce the
**Healthy Child Incentive
Developmental Screening**
for Medicaid members ages 0-3 years

This healthy screening is an easily achievable, simple incentive plan designed to reward and recognize McLaren Health Plan's (MHP) Primary Care Providers (PCP).

As an incentive for your cooperation in this screening endeavor, MHP will reimburse you annually for each assigned MHP member as described below:

Annual Screening Test	CPT Code	MHP Reimbursement
Documented Developmental Screening	96110	\$20

For each of your MHP Medicaid members that presents to your office, simply perform and document a developmental screening. In order to receive your incentive payment, submit a claim to MHP using the identified CPT code. As a MHP contracted PCP you are eligible to receive one **\$20 incentive** per child annually.

We look forward to your partnership and collaboration with **Healthy Child Incentive - Developmental Screening** and other future endeavors to increase quality outcomes.

Thank you for the quality care you deliver!
