Additional Information

- You do not need more than one Medicare supplement plan.
- If you purchase this plan, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- If you are 65 or older, you may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If you are eligible for, and have enrolled in, a Medicare supplement plan by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances and later lose your employer or union-based group health plan, your suspended Medicare supplement policy, or if that is no longer available, a substantially equivalent policy, will be reinstituted if requested within 90 days after losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- To terminate your McLaren Medicare Supplement plan, please notify McLaren Health Plan in writing at least 30 days prior to termination.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and Medicaid.

Notice to applicant regarding replacement of Medicare supplement coverage or Medicare Advantage

McLaren MEDICARE SUPPLEMENT

McLaren Health Plan, G-3245 Beecher Road, Flint, Michigan 48532

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to your application or the information you have furnished, you intend to drop or otherwise terminate existing Medicare supplement coverage or a Medicare Advantage plan and replace it with a new certificate to be issued by MHP. Your new certificate provides 30 days within which you may decide, without cost, whether you desire to keep the certificate.
You should review this new coverage carefully, comparing it with all disability and other health coverage you now have. You should terminate your present coverage only if, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision.

Statement to applicant by McLaren Medicare Supplement agent, broker or other representative:

I have reviewed your current medical or health coverage as disclosed to me. The replacement of coverage involved in this transaction does not duplicate your existing Medicare supplement, or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan, to the best of my knowledge. The replacement plan is being purchased for the following reason (check one):

☐ Additional benefits.
☐ No change in benefits, but lower premiums.
☐ Fewer benefits and lower premiums.
☐ Current plan has outpatient prescription drug coverage and I am enrolling in Part D.
☐ Disenrollment from a Medicare Advantage plan.
Reason for disenrollment: _____
☐ Other (please specify): _____
☐ Did not replace existing Medicare supplement coverage.

If, after thinking about it carefully, you still wish to drop your present coverage and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the insurer to deny any future claims and to refund your premium as though your policy or certificate had never been in force. After the application has been completed, and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new certificate and are sure that you want to keep it.
