

Quick Formulary Guide Small Group and Individual Community July 2023

This is a Quick Formulary Reference of frequently prescribed medications for our McLaren Health Plan Community members. A complete full drug formulary is available at McLarenHealthPlan.org or by calling 888-327-0671. Formulary changes and updates are also available on our website. McLaren Health Plan Community promotes the use of high-quality, cost-effective medications. If you would like to speak with the Pharmacy Director regarding the Formulary, please call 810-733-9727 for assistance.
