

McLaren Health Plan (MHP) is pleased to announce the

2027 Cervical Cancer Screening Incentive

for Medicaid members

The Cervical Cancer Screening Incentive is designed to reward and recognize McLaren Health Plan's (MHP) Providers for excellent quality care.

As an incentive for completing NCQA HEDIS-compliant activities, MHP will reimburse you for each member you serviced in the measurement period, as described below:

Incentive
\$15 per member

In order to receive your incentive payment for each of your members ages 21-64, the member must be seen by Dec. 31 in the measurement year. You must submit data through a supplemental data feed or a claim to MHP using the following HCPCS/CPT codes by March of the following year.

Cervical Cytology Lab Test	High Risk HPV Lab Test
88141-88143, 88147-88148, 88150, 88152-88153, 88164-88167, 88174-88175, G0123-G0124, G0141, G0143-G0145, G0147- G0148, P3000-P3001	87624-87626, G0476

\$15

Your current-year incentive payment will be distributed in the summer of the following calendar year.

McLaren Health Plan retains the right to audit any of their providers at any time. Failure to comply with these audit requests, including any adverse audit findings, may impact the provider's ability to earn provider incentive payments.

If you would like to set up a supplemental data feed directly with McLaren, please notify your assigned Provider Relations Representative.

Thank you for the quality care you deliver!
