McLaren Health Plan (MHP) is pleased to announce the

2027 Diabetic Eye Exam Incentive

for Medicaid members

This Diabetic Eye Exam Incentive is designed to reward and recognize McLaren Health Plan's (MHP) Providers who meet the requirement of conducting a retinal eye exam for persons aged 18-75 with diabetes.

As an incentive for your cooperation with screening eligible members, MHP will reimburse you as described below:

**McLaren Health
Plan Incentive**

\$20

In order to receive your incentive payment for each of your eligible members, the member must be screened by Dec. 31 in the measurement year. The service must be submitted via supplemental data feed or claim by March of the following year.

Your current year incentive payment will be distributed in the summer of the following calendar year.

McLaren Health Plan retains the right to audit any of their providers at any time. Failure to comply with these audit requests, including any adverse audit findings, may impact the provider's ability to earn provider incentive payments.

If you would like to set up a supplemental data feed directly with McLaren, please notify your assigned Provider Relations Representative.

Thank you for the quality care you deliver!
