

McLaren Health Plan (MHP) is pleased to announce the

2027 Healthy Child Immunization Incentive

for Medicaid members

The Healthy Child Immunization Incentive is designed to reward and recognize McLaren Health Plan's (MHP) Primary Care Providers (PCP) for excellent quality care provided to children from birth to 2 years old and 9-13 years old.

As an incentive for completing NCQA HEDIS-compliant vaccinations, MHP will incentivize you as described below:

Immunization Combo	Immunizations Included	MHP Incentive
Childhood Immunization Status - Combo 10	DTaP, IPV, MMR, HiB, Hop, VZV, PCV, HepA, RV, Influenza	\$100
Immunizations for Adolescents - Combo 2	Meningococcal, Tdap, HPV	\$50

In order to receive the incentive for each of your eligible members, simply follow these steps:

- Bill for your administration of these immunizations
- Report completed immunizations through MCIR
- If member had immunizations outside of Michigan, submit medical records to MHP_Quality_Outreach@mclaren.org

You are eligible to receive one completed immunization combination incentive per child. Your current year incentive will be distributed in the summer of the following calendar year.

McLaren Health Plan retains the right to audit any of their providers at any time. Failure to comply with these audit requests, including any adverse audit findings, may impact the provider's ability to earn provider incentive payments.

If you would like to set up a supplemental data feed directly with McLaren, please notify your assigned Provider Relations Representative.

Thank you for the quality care you deliver!
