

McLaren Health Plan (MHP) is pleased to announce the

2027 Mammogram Screening Incentive

for Medicaid members

This Mammogram Screening Incentive is designed to reward and recognize McLaren Health Plan's (MHP) Primary Care Providers (PCP) who meet the HEDIS® requirement of ordering a mammogram every two years for female members ages 40-74.

For each of your Medicaid female members age 42-74 who receive a mammogram screening during the calendar year, the PCP will receive a \$40 incentive.

Age	McLaren Health Plan Incentive	Procedure Code
42-74	\$40	77061-77063 77065-77067

Your current year incentive payment will be distributed in the summer of the following calendar year.

McLaren Health Plan retains the right to audit any of their providers at any time. Failure to comply with these audit requests, including any adverse audit findings, may impact the provider's ability to earn provider incentive payments.

If you would like to set up a supplemental data feed directly with McLaren, please notify your assigned Provider Relations Representative.

Thank you for the quality care you deliver!
