

McLaren Health Plan (MHP) is pleased to announce the

2026 Mammogram

Screening Incentive

for Medicaid members

This mammogram screening program is designed to reward and recognize MHP’s Primary Care Providers who meet the HEDIS® requirement of ordering a mammogram every two years for MHP Medicaid female members ages 42-74.

For each of your Medicaid female members age 42-74 who receive a mammogram screening by December 31, using the following procedure codes, you will receive the amount listed below.

Age Range	McLaren Health Plan Incentive	Procedure Code
42-49	\$37.50	77061-77063 77065-77067
50-74	\$50	

Payment, if any, for BCS age 42-49 for the calendar year is prorated based on the Effective Date of April 1st (e.g., payment will be prorated from \$50 to \$37.50 or 9/12 months (75%)).

Your current year incentive payment will be distributed in the spring of the following calendar year.

McLaren Health Plan retains the right to audit any of their providers at any time. Failure to comply with these audit requests, including any adverse audit findings, may impact the provider’s ability to earn provider incentive payments.

We look forward to your collaboration on the mammogram screening program and to your continued partnership to increase quality outcomes.

Thank you for the quality care you deliver!
