

McLaren Health Plan (MHP) is pleased to announce the

2027 Primary Care Physician Incentive Program

for Medicaid members

McLaren Health Plan (MHP) is committed to providing high quality, cost-effective health care to our membership. By establishing a Primary Care Physician (PCP) Incentive Program, MHP builds a strong partnership with our contracted PCPs, resulting in improved access to health care services for our members.

The 2027 PCP Incentive Program, outlined below, provides incentives that optimize transformation activities, care coordination and quality by recognizing the outstanding efforts of our PCPs while improving health care outcomes.

Line of Business	Description	Measure	Incentive

MHP has a Provider HEDIS® Toolkit at McLarenHealthPlan.org. The Provider HEDIS® Toolkit explains each HEDIS® measure in detail and the requirements for satisfying the measures.

McLaren Health Plan retains the right to audit any of their providers at any time. Failure to comply with these audit requests, including any adverse audit findings, may impact the provider's ability to earn provider incentive payments. McLaren Health Plan reserves the right to change or modify Provider Incentive Programs without notice.

Your Provider Relations Representative, is here to assist you with any questions. Please call us at 888-327-0671 (TTY: 711).

Thank you for the quality care you deliver!
