McLaren Health Plan (MHP) is pleased to announce the

2027 Sickie Cell Screening Incentive

for Medicaid members ages 2 through 16

This Sickie Cell Incentive is designed to reward and recognize McLaren Health Plan's (MHP) Specialists for excellent quality care. For members ages 2-16 with Sickie Cell, their Specialist will receive an incentive when the member completed an annual TransCranial Doppler (TCD) Screening.

Screening must be completed by December 31st. MHP must receive a claim for the service by March of the following year.

Procedure	McLaren Health Plan Incentive
TransCranial Doppler (TCD) Screening	\$20

Your current year incentive payment will be distributed in the summer of the following calendar year.

McLaren Health Plan retains the right to audit any of their providers at any time. Failure to comply with these audit requests, including any adverse audit findings, may impact the provider's ability to earn provider incentive payments.

If you would like to set up a supplemental data feed directly with McLaren, please notify your assigned Provider Relations Representative.

Thank you for the quality care you deliver!
