

McLaren Health Plan (MHP) is pleased to announce the
**2027 Timeliness of
OB Care Incentive**
for Medicaid members

This incentive is designed to reward and recognize McLaren Health Plan's (MHP) Providers who meet the requirement of providing timely prenatal care within the first trimester AND a timely postpartum visit within 7- 84 days of an MHP Medicaid mom's delivery.

Complete Services	McLaren Health Plan Incentive
Timely Prenatal Visit	\$50
Timely Postpartum Visit	\$50

In order to receive your incentive, MHP must be notified of the completed service via supplemental data feed or claims by March of the following year.

Please note the member must be compliant for both visits in order for either servicing provider to receive an incentive.

Your current year incentive payment will be distributed in the summer of the following calendar year.

McLaren Health Plan retains the right to audit any of their providers at any time. Failure to comply with these audit requests, including any adverse audit findings, may impact the provider's ability to earn provider incentive payments.

If you would like to set up a supplemental data feed directly with McLaren, please notify your assigned Provider Relations Representative.

Thank you for the quality care you deliver!
