Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0 at Indian Health Care Provider (IHCP) or with IHCP referral at non-IHCP; Rewards: \$2,000 / individual or \$4,000 / family Non-Rewards: \$8,000 / individual or \$16,000 / family *All amounts applied to a Deductible, regardless of Rewards or Non-Rewards will apply to both the Rewards and Non-Rewards Deductibles	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes, the deductible doesn't apply to preventive care , and certain services subject to flat dollar copayments .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	Yes. Prescription Drugs: \$0 / individual or \$0 / family	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	\$8,250 / individual or \$16,500 / family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums , balance-billing charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you	Yes. See mclarenhealthplan.org or	This plan uses a provider network. You pay the least if you use a Rewards provider . You pay

Important Questions	Answers	Why This Matters:
use a network provider ?	call (888) 327-0671 for a list of network providers .	more if you use a provider in the plan's network that is not a Rewards provider (a " Participating Provider ". You will pay the most if you use a non-Participating Provider , and you might receive a bill from a provider for the difference between the Provider's charge and what your plan pays (balance billing). Be aware your Participating Provider might use a non-Participating Provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .
