# MCLAREN HEALTH PLAN HMO PROVIDER DIRECTORY

## SELECT PLAN

### Member Information

**Welcome to McLaren Health Plan Community!** This directory lists all participating hospitals, doctors, and ancillary health care providers. Each family member must select a Primary Care Provider (PCP) for each family member. Primary Care Providers are defined as Family or General Practitioners, Pediatricians, Internists, Nurse Practitioners, and Physician Assistants. Your PCP will help to coordinate all your health care needs. This directory lists whether the PCP is taking new patients, their office practice hours, and if the doctor speaks a language other than English.

#### Primary Care Providers (PCPs)

Each family member should choose a doctor. McLaren Health Plan Community can help you choose a PCP by calling Customer Service at **888-327-0671**.

#### Specialty Care Providers

When your PCP needs to send you to a specialty care provider, they can select one from this directory and notify McLaren Health Plan that they are referring you. You do not need to wait for approval for most services.

#### Your Network

Your Select Plan uses an extensive network of participating providers from whom you will seek care. There are primary care doctors, specialists, hospitals, urgent care clinics, pharmacies, labs – please review the provider directory and familiarize yourself with your Select Plan network. Call Customer Service if you have any questions about where to obtain covered services from participating providers.

MHP Community does not cover services provided by non-participating providers. Exceptions include:

- Emergency services
- Services preauthorized by MHP

In some cases, non-participating providers practice at facilities that participate with the MHP Select Plan. Please be sure to inquire if the provider from whom you are seeking care is a Select Plan participating provider.

The MHP Community Select plan is only offered to residents of Clinton, Eaton, Genesee, Huron, Ingham, Lapeer, Macomb, Saint Clair, Sanilac, Shiawassee and Tuscola counties. The network is comprised of participating providers who practice in these counties. As an MHP Community Select member, in-network benefits can only be provided by providers listed within the MHP Community Select provider directory. Any request to see an out-of-network provider within the Select counties or a provider outside of the Select counties must be reviewed by MHP Community prior to receiving services

**If you have any questions regarding the participation status of any health care provider or if you see any errors in a directory, or if you want a printed copy of any portion of the directory, you can call Customer Service toll free at 888-327-0671, (TTY: 711).**
