

CANCER INSTITUTE

Wayne State University

Barbara Ann Karmanos Cancer Institute Bequest Intention

Bequests and other testamentary gifts by generous friends have been a significant source of financial support for the Institute. These gifts provide funding for state-of-the-art medical equipment, patient comfort initiatives, innovative research for the development of more effective treatments and facility enhancements. A gift to Karmanos through your will or estate plan qualifies you to become a member of the Dr. Vee Legacy of Hope Society, created to recognize and thank donors whose foresight is helping us move closer to a future that will be cancer-free.
