Provider Directory

McLaren Health Plan – Provider Directory

Member Information

Welcome to McLaren Health Plan! This directory lists all participating hospitals, doctors, and ancillary health care providers. Each family member must select a Primary Care Provider (PCP) for each family member. Primary Care Providers are defined as Family or General Practitioners, Pediatricians, Internists, Nurse Practitioners, and Physician Assistants. Your PCP will help to coordinate all your health care needs. This directory lists whether the PCP is taking new patients, their office practice hours, and if the doctor speaks a language other than English.

Primary Care Providers (PCPs)

Each family member should choose a doctor. McLaren Health Plan can help you choose a PCP by calling a Member Service Representative at **1(888) 327-0671**.

Specialty Care Providers

When your PCP needs to send you to a specialty care provider, they can select one from this directory and notify McLaren Health Plan that they are referring you. You do not need to wait for approval for most services.

**If you have any questions, please call McLaren Health Plan at 1(888) 327-0671
You can also access our website at www.mclarenhealthplan.org**
