Important Questions	Answers	Why This Matters:

Are there services covered before you meet your deductible ?	Yes	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services.

What is not included in the out-of-pocket limit ?	Not applicable	This plan does not have an out-of-pocket limit on your expenses.
Will you pay less if you use a network provider ?	Yes. See McLarenHealthPlan.org or call (888) 327-0671 for a list of network providers .	You pay the least if you use a Participating Provider . You might receive a bill from a Non-Participating I/T/U Provider for the difference between the Provider's charge and what you plan pays (balance billing). You will pay the most if you use a non-Participating Provider/non-I/T/U Provider , and you might receive a bill from a Provider for the difference between the Provider's charge and what you plan pays (balance billing). Be aware your Participating Provider might use a non-Participating Provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral . Note, however, that some services require plan Preauthorization in order to be covered.
